WORLD'S BIGGEST TULIP! HOLLAND'S GLORY

This amazing giant tulip is destined to become the most talked about new variety for years to come! Thousands of gardeners have known "Red Emperor" as the outstanding giant red tulip. Yet here's a new variety that virtually doubles "Red Emperor" for SIZE . . . for HEIGHT . . . for FOLIAGE . . . for STRONG STEMS . . . and for BRILLIANT GLOWING COLOR! A tulip so enormous the bulbs have to be set out 10 inches apart! So precious we wrap each bulb individually in soft tissue, lest any of its magnificence be lost through bruises!

Even ONE bulb of Holland's Glory produces an effect such as no tulip or daffodil ever produced before! A single plant in full bloom has such bright colors it holds the interest like a flaming sunset. The massive petals reflect varying shades of glowing vermillion and orange-scarlet as sun and shadow play across the velvety bloom. From the time the buds first show color, Holland's Glory draws you back again and again, hypnotized by its symphonic color harmony.
